*"My son felt successful!
Not stupid, which he
often does."*

Camp Blast Off for Success

- ◆ Small group tutoring for both math and reading to get those brain juices flowing and ready for a super start to the school year.
- ◆ Through creative hands-on activities and games, your child will be prepared to hit the ground running next Fall.
- ◆ Our camp counselors are licensed instructors experienced in teaching students with learning challenges, including learning disabilities and ADHD.

Make the most of your summer break and join us for a fun and fresh approach to learning and gear up for the 2010-11 school year at LDA Minnesota!

*"You managed to motivate my
reluctant learner! He had fun
doing the reading and math."*

Camp Blast Off for Success is appropriate for any student who needs an extra boost in math and/or reading.

Blast Off for Success!

What to expect

On the first day of camp, all students will be assessed with a quick reading and math assessment that will give our teachers an idea of your student's academic level, strengths, and weaknesses. Students will be assessed again at the end of camp using a similar measure.

Students will be placed in groups of no more than six students who have similar academic needs. Students may be placed in different groups for reading and math, depending on their individual needs. A teacher will work with each small group in reading and math to target the specific areas where students most need help. Our curriculum is hands-on, direct, and fun. Games and brain-benders are incorporated throughout, so students have engaging ways to practice skills that get their juices flowing and ready for school.

All *Blast Off for Success* students will receive a **FREE T-shirt** and a free book at the end of each camp week(s). Plus, each day is an opportunity to earn prizes for focused work and positive camp spirit!
